Team Aspiration Goals

Our Objective:

To build a business which is people, purpose and profit-centric

How:

The business will be built as a vehicle to fulfil the dreams and aspirations of the team members, customers and owners i.e. a Win-Win-Win intention for all.

Guidelines:

You may fill the below questions in two ways:

- Being a Believer – Honestly, genuinely, transparently and thinking deeply by introspecting and filling meaningful authentic answers
- Being a Non Believer – You may also think, “why is my boss asking me to do this exercise? I do not trust his/her intention of building a Win-Win-Win business. I know him/her... they don’t care

If you choose being a believer – then thank you for joining us in the journey of building a win-win-win business together!

If you choose to be doubtful – then thank you for giving us feedback. We will allow you to trust us after testing whether the intention to build a win-win-win business is meaningful or not!
